Dear Parents/Guardians,

Welcome to our school! We are pleased that you and your child/children are a part of the Good Shepherd Lutheran School family. The Parent-Student Handbook is available to you online only on the GSLS website (www.gsiscolumbia.org). Students must go online with their parents to access the handbook. Please take time to read and discuss the handbook with your child/children.

We hope the Parent-Student Handbook will serve as a handy reference for information about our school. This handbook has a great amount of information; therefore, parents and students should read, discuss, and refer to the handbook. We have attempted to expect questions about our school and give answers in this publication. If you need further clarification about any information contained within, please do not hesitate to contact the school office at 573-445-5878.

Our Mission at Good Shepherd Lutheran School is to “partner with parents, assisting them in raising their children, and helping everyone to grow in love, knowledge, and faith in Jesus Christ.” Research shows that a major factor in insuring a successful school experience for your child/children is a close partnership between the school and the home. We invite parents to become involved in a positive way at our school through various volunteer opportunities.

After reading this handbook with your child/children, please print and sign the form on the last page of this handbook and return it to your school office. Please note that EACH student of GSLS must return a signed form to the school office. This will indicate to the school that you have received and read the handbook.

We look forward to working closely with you and your children during the school year. Thank you for taking the time to review the Parent-Student Handbook online with your child/children.
