NOTES FROM TAMMY'S DESK:

Thank you to everyone who helped us through donations of money and food for the Food Bank of Central and Northeast Missouri. During the first 2 weeks of school we collected 107 pounds of food and since the beginning of the year our chapel offering has been earmarked for the Food Bank. The Chapel offering for the months of August-September totaled \$126.50. This means that the food bank can buy \$2,656.50 worth of food.

For the month of October we will be turning our efforts to the hurricane relief. All of your chapel offering will be used to help those in need after the hurricanes in the south. We have some matching funds for the project for money we collect through the end of October. Next week, look for information on a service project that the school will be doing throughout October for the hurricane victims.

"Jesus Christ is the same yesterday and today and forever." Hebrews 13:8

Blessings,
Tammy Mangold
