The Blue Green Gala Report: JacquE

\*\*2017 Gala Budget Distributed\*\*

Our venue fee of \$500.00 for the Gala at CCC on March 4, 2017, has been paid.

JacquE queried whether the music that we had last year during the auction was worth the \$300.00 expenditure? (There was no conclusion at this time as to preference.) She stated that our goal for the Gala is \$32K based on selling out our total sponsorships which would be 136. (Our previous number was 120.)

She noted that all of the money earned goes to our operating budget.

School Administrator Report: Tammy Mangold

In addition to her written report, Tammy noted that we presently have 27 children enrolled with 14 pending. She has also added a couple of substitute teachers to the roster this week.

An immediate issue which will be discussed in greater detail in an Executive Session that will follow. It concerns the tendered resignation of Ladonna Telle who has been our kindergarten teacher for the last 6 years.

Old Business

New Curriculum

New Business:

### Student-Parent Handbook

- The board reviewed the previous Student-Parent handbook that had been in effect for the previous year. For this year's edition there were modest changes to correct spelling, awkward sentences and the additional policy of weapons on church property.

- Pat moved to accept the changes made and it was seconded by Mary. There was no further discussion and the motion carried.

### Employee Handbook

- The board reviewed the previous Employee Handbook that was in effect in order to update it for the current school year. Changes were made to reflect policies on vacation, parking and weapons on church property.

Pat made motion to adopt the changes. Kandy seconded. There was no further discussion and the motion carried. Tammy will make the necessary changes.

As Tammy finished her report it was noted that Tammy's name should now appear on the GSLS credit card used for school purposes. All previous user authorization will be canceled with the bank.

In keeping with funding to assist the school, the Cornerstone Letter, which is generated annually to all parishioners, will be sent by the end of the last quarter of the school year. The language of last year's letter will be reviewed soon and the process started to ensure that it is sent out in a timely fashion.

The next Board meetings September 8, and will be held at Trinity.

The meeting was adjourned at 8:55PM.

Respectfully submitted,

Kandy Kling
